

Report a petroleum incident or occurrence to WorkSafe

Reporting an incident and definitions are available at www.dmirs.wa.gov.au/WHSincident

A serious injury, illness, a death or a life-threatening dangerous incident can be notified 24 hours a day, 7 days a week by calling 1800 678 198. You may be asked to lodge further information.

 **In all events evaluate the incident.**
Where the analysis shows the control measure did not control the risk, review the control measure(s) [r. 112].
